

# Where's the Calendar?

The Wheeler Memorial Chapel Event Calendar has moved. It is now located online at the Wheeler Chapel website:

<https://www.wheelerchapel.org>

To lookup a date, please direct your desktop, laptop, or mobile device browser to this site and select **Event Calendar** menu item. There you will find a Google calendar displaying all events for the current month. Hover the cursor over an event to reveal start and end times. To select another month, use the side arrows. Past and future months can be found for up to one year on either side of the current month. Date Color: Blue – current date; Black – scheduled event date; Gray – no scheduled events this date.

Comments are welcome using the **Contact Us** menu item on the Footer Menu or contact Pete Linkroum at 603.320.8797.
